#### Site Data

This is a building, associated with Plane Tree house about 30m to the East, which is marked on the 1854 OS map and also on the 1839 Tithe map. It must have been demolished by the end of the nineteenth century since it is not marked on the 1907 OS map. It was probably erected about the time of the enclosures since it is not marked on the relevant map. It is represented on the ground by a building platform measuring about 5x10m.

#### History Summary

A building probably associated with Plane Tree House, 180, existing only on 1839 and 1854 maps.
