Item Description FIELD

Site Data

This field is the paddock for the property known as Highfield immediately to the north. Its is improved grassland used as pasture. The culvert from field 60940008 continues across this field in an easterly direction. From the northern boundary there is a flat stretch for approx. 50m. then the field rises gently up to the southern boundary adjacent to the Ripley Road. There are no visible archaeological features.

History Summary

The field has remained unchanged from the mid 19th century until the present time, early 21st century
