### Site Data

This feature is an ornamental garden for the property known as Highfield record no. 60940118. The house stands on the eastern side of the plot approx. half way along its length. The drive 60940101 enters at the southeast corner and immediately swings left then right to run some 16m. from the eastern boundary up to the house. In the southwest corner of the garden is a well, record no. 60940142. This is capped with two large slabs of sandstone. Removal of the slabs was not possible due to the beehive which stands on them.

### History Summary

The field has remained unchanged from the mid 19th century until the present time, early 21st century.
