FIELD

Description	Comments
2008 Scriven OS Map	Dimensions 203m X 190m. Area is 3.06 hectares. Irregular 6-sided field S boundary of which is adjacent to and N of parish boundary on B6165. Track 179 leads NNW ultimately from the B6165 towards and round the W side of a truncated T-shaped building (178) in the S section of the field. This building is 82m S of N boundary, 49m from the S boundary, 82m from the E and 150m from the W boundaries. The field is shown as mainly deciduous woodland apart from a strip 61m wide which leads S from the pond 123 in field 021, which is N of field 020, to the area round the house.
2008 Harrogate Borough Council Vector Map	The field is named Howe Hill and is shown as coniferous and deciduous woodland. There is an outbuilding approximately 35m NW of the main building (178). Both buildings appear to be in a circular area cleared of immediate woodland. Track 179 leads to the outbuilding and round the main building.
2007 Scriven Aerial Photo	Field is woodland apart from an elliptical grassed garden/enclosure (38m X 63m) in which the building, measuring 32m x 16m, (178) is situated. The enclosure appears to have a high boundary hedge and the outbuilding is outside this area. There is a circular earthwork feature 6m diameter in the enclosed area 8 m NE of the building.
2005 Scriven Street Map	Field is named Howe Hill. The building (178) and garden are shown although to the WNW the garden has an elongated shape presumably to include the outbuilding which is not marked here.
2005 NMR 20304/12 Oblique	Not within extent of map
2002 OS Map Scriven	Field is named Howe Hill. Track 179 leads NW to S and W of building (178) which is situated in elongated enclosed area in woodland.
1994 Pathfinder 663 Scriven	Unchanged although Howe Hill not named.
1994 OS/94255 Run V Frame 006	Not within extent of photo

1973 HSL Ltd Run 47 Frame 2671	Not within extent of photo
1970 Scriven Map	N boundary with field 020 not shown. Clearing shown in woodland but no building is depicted. Track 185 is shown to E of field's W boundary and is apparently a continuation of Track 179. It runs in a NW direction to field 021 and beyond.
1968 Scriven Map	Unchanged, as Scriven map 1970.
1966 Meridian Airways Run 41 Frame 138	Not within extent of photo
1966 Meridian Airways Run 41 Frame 137	Field is wooded except for an ill-defined cleared strip in the central section which extends from pond 123 in field 021. At a distance of 85m from the S boundary and 100m from the E boundary is a building which is situated in a section of the cleared area.
1966 Meridian Airways Run 41 Frame 136	Unchanged, as Frame 137
1965 July Scriven Sale Map	Field not shown but S extent of field shown as sale Lot 6 and N extent of field shown as part of Sale Lot 1

1965 September Scriven Sale Map	Profile unchanged. No building is shown. Track 179 leads NNW from the B6165 road along the W boundary of the field. Wooded enclosures are shown to the E and W of a cleared area in the centre of the field. The NW section of the enclosed area to the W is part of OS field number 5100 but the acreage for this section of field 20 is not specified. The central cleared area is given the OS field number 4440 which has an acreage of 1.4 acres. The wooded enclosure to the E is given OS field number 5110. This section has an acreage of 5.72 acres. Immediately N of the S boundary to the W of Track 179 is a plot with OS field number 4581, which has an acreage of 0.4 acres. For the purposes of the building sale in 1965, the S half of the field is allocated Lot 41.
1963 Scriven Hall	Not within extent of map
1954 RAF/540/1381 Run F22 Frame 0001	Not within extent of photo
1953 RAF/82/800 Run V Frame 0231	Not within extent of photo
1951 RAF/540/520 Run RP Frame 3027	Track 179 is clearly visible leading NNW from B6165, to the S of the field and along its W boundary. The wooded area to the E of the cleared central area appears to have been partially cleared. The central section of the field which is cleared from beyond the N boundary of field 20 now extends as far of the S boundary of the field.
1950 OS Map Scriven	Profile unchanged. The cleared central section on Howe Hill appears not to extend S of Track 179. This track continues into Track 185. On the E of the field's S boundary is marked a Lodge.
1941 RAF/4E/UK689 Run V Frame 9157	Wooded areas to E, W and S of cleared section are visible. Also shown is Track 179 running NNW ultimately from B6165
1941 RAF/4E/UK689 Run V Frame 9156	Not within extent of photo
1938 OS Map Scriven	Unchanged, as OS 1950 map.
1932 Scriven Hall	Not within extent of map
1932 Scriven	Unchanged, as 1950 and 1938.
1913 Scriven	W boundary has changed in that the strip of land to the W, which is part of the field from 1938, is not included in 1913. Track 179 is shown leading NNW from SE extremity of the field, ultimately on the parish boundary. It continues into Track 185. Lodge is not marked.
1909 Scriven Hall	Not within extent of map
1907 OS Map Scriven	A lodge appears just outside the SE boundary of the field and lies on Track 179 which continues into Track 185 and on to Scriven Hall.

1890 Scriven Hall	As OS1907 the lodge appears just outside the SE boundary of the field though it is related to Scriven Hall.
1854 First Edition	The lodge is shown just outside the boundary of the field although an associated building appears to lie on the actual boundary. Track 179 leads NW from the latter buildings . The part of the track which is Track 185 leading from Howe Hill is clearly visible though the two tracks do not appear to be continuous.
1849 Scriven	Not within extent of map
1839 Tithe map	Field unchanged. Track 179 continuing into Track 185 runs from the SE of the parish boundary toward the W section of the field's N boundary. The W and E sections of the field are shown as wooded enclosures. The W section is part of Tithe no 265 and the E section part of Tithe 267. The central cleared area is part of Tithe no 266. At the S tip of the E area, S of Tithe no 267 a small area is the N extent of tithe No 269.
