FIELD

Description	Comments
2008 Scriven OS Map	An irregularly 7-sided L-shaped field which is 450m x 318m at its broadest. Acreage is 10.16 hectares. Alignment NNE. Internal feature 130 which is a pylon for an electric cable line. This is 100m W of the E boundary and 90m N of the S boundary.
2008 Harrogate Borough Council Vector Map	The E boundary with fields 50 and 53 is not shown. Feature 130, a pylon and associated cable lines are depicted.
2007 Scriven Aerial Photo	Field 51 and field 50 are merged. Field 51 is now grassland though it appears to have been previously been ploughed. Plough marks are visible. The W boundary is hedged with occasional trees. The N boundary and approximately 200m of the E boundary from the N boundary are tree-lined, as are E sections of the L-shape. ie 95m to the E and then 56m to the S. In the E section of the field in the L-shape, a 4-sided area measuring 100m x 125m is ploughed although a physical boundary between this and the W area of the field is not visible. In the S of the grassed section of the field a 4-sided area measuring 220m x 135m and 250m from the S boundary appears cropmarked. The pylon and cable lines are clearly visible. Track 286 is just visible in the SE corner of the field.
