**A REMINDER TO ALIENS**

**12 February 1949**

10    Walter Juerges, confectioner, Harrogate, and Kurt Brogatski, porter, Harrogate, both German subjects were each fined 10s for failing to notify the police of changes of address.

Chief Inspector Moxon said the cases were brought “as a reminder of the regulations.” There was some laxity, he said, and it was hoped that these proceedings would bring it home that the regulations had to be observed.
