<b>Site Data</b>				

### History Summary

This track together with track 185 existed in the mid 19th century and created a single track from Scriven Hall to the Ripley Road across the parklands and it remained so until the middle of the 20th century. In 1965 the Scriven Estate was auctioned and this route was no longer needed and by 1970 only track 179 remained as it provided access to the house at its N end.
